

Simplifying HOA payments for you and your homeowners

The challenge

Managing paper checks is a pain and costly. The total cost of processing a paper check is **\$7,300** per year @ \$1.22/check for 500 homeowners.

Manually reconciling accounts receivable wastes money. **\$50,000** spent per year on accounting reconciliation.

Checks & money orders put you at risk of theft and fraud. Check and money order theft resulted in **\$40,000** stolen funds.

Limited options and confusing processes leads to unhappy homeowners.
